

ST. PAUL'S LEADERSHIP COVENANT

"Character, Conduct and Conversation that are Christ-like"

We, the leadership of St. Paul's desiring to be faithful to Christ in our relationship with each other, and to model the love and unity as demonstrated by the Father, Son and Holy Spirit, do covenant that we will strive to be Christ-like in our character, conduct and conversation.

We affirm that we will have teachable spirits, servant hearts and will remain submitted to Jesus Christ.

We affirm a commitment to the mission and values of St. Paul's.

We affirm that we are ultimately accountable to God and immediately accountable to one another.

We affirm a commitment to the tithe as the biblical standard for giving.

We are committed to integrity, loyalty and trust.

We affirm that we will intentionally love, encourage and build up one another, recognizing and respecting the value of each individual and ministry.

We affirm a commitment to fellowship, worship, thanksgiving, and prayer together – joyfully sharing in each other's lives.

We affirm that we view all ministries as interwoven and equally valuable, working together toward a common goal.

We affirm that confession, repentance and forgiveness among leadership leads to trust and humility within the Church.

We affirm that we will communicate clearly, disagree openly and work through problems rather than bury issues.

We commit to include new leaders and equip them for ministry.
